## **Minor Taylor, ALC, Receives REALTORS® Land Institute APEX 2017 Top Twenty Producer Award**

**March 16, 2018 (Houston)** – Minor Taylor with Taylor Land Investments from Houston, TX, was named an APEX 2017 Top Twenty National Producer by the Realtors® Land Institute. Minor received the award during the APEX Awards Program Ceremony at RLI's National Land Conference hosted this year in Nashville, TN, on March 13.

**"I am extremely honored to receive this prestigious award, especially on it's inaugural year."** said Taylor upon receiving the award.

The APEX Awards Program, sponsored by The Land Report, celebrated its inaugural year with applicants totaling a combined \$1B+ in qualifying transaction volume. The awards program is designed to recognize the excellence and performance of *the best in the business* with these prestigious land real estate production-based awards. Every year, the REALTORS® Land Institute recognizes the year's 'Top Producer Award' for the agent with the highest production level; 'Broker of the Year Award' for the agents with the highest production in each of the seven distinct land categories; 'Wrangler' award for the agent with the most transactions; the 'APEX Top 20' recognizing the top twenty agents, and the "APEX Producers Club" recognizing all applicants who met the minimum qualifying volume of \$4M.

"We are proud of Minor Taylor and all of our members that were recognized for their accomplishments in 2017. They truly are the crème of the crop when it comes to land real estate professionals," said RLI's CEO Aubrie Kobernus, MBA, RCE, about the new program.
